

INT-THE-010

INTRODUCTION

Welcome - Introduction to the session

• Context

Any training must start with a clear and comprehensive description of the programme and set out the pedagogical objectives in a precise manner.

• General objective(s)

The general objective of this module is on the one hand to give to the trainees :

- all the necessary details in order to facilitate their autonomy during the training;
- the detailed course programme and the methods implemented.

On the other hand for the organisers:

- a good knowledge of the trainees background and a good understanding of their expectations.

• Pedagogical objectives

- ✓ Know their way in the School
- ✓ Understand the objectives of the training
- ✓ Express their expectations regarding the training
- ✓ Identify the contributors
- ✓ Identify the other trainees
- ✓ Understand the obligations in terms of logistics (pick-up, order for lunch)

• Main items

- ✓ History of SARAF, origin of participants, round table, logistics, social events, LABERCA contributors

• Pedagogical tools

- ✓ Slide show
- ✓ Round table
- ✓ Delivery of documents

• Duration

- ✓ 1 hour

• Pre-requisite
