## **INTRODUCTION**

### **Conclusion of the session & debriefing**

---

#### **• Context**

Any training programme must end with a debriefing session where each person can express their feeling on whether or not the original objectives were reached and also suggest possible ways for improvement for the next SARAF session.

#### **• General objective(s)**

The general objective of this module is to make a note of the participants' feeling on all aspects of the training, including logistics, content and level of the training, quality of the lecturers and pedagogical means used.

#### **• Pedagogical objectives**

- ✓ Trainees: express their feeling on whether the training was successful (or not)
- ✓ SARAF: make a note of the customer satisfaction

#### **• Main items**

- ✓ Reminder of the programme, review of each individual item and thanks

#### **• Pedagogical tools**

- ✓ Slide show
- ✓ Round table

#### **• Duration**

- ✓ 1 hour

#### **• Pre-requisite**

- ✓ Attending the training session
- ✓ Preparing a critical evaluation of the training
